Our Sustainability Goals

Nouryon believes that our essential solutions, as well as our actions as a Company, can contribute to a more sustainable future. We are dedicated to reducing our own environmental impact and to partnering to develop new innovative, sustainable solutions for our end-markets that answer societal needs.

Nouryon participates in the United Nations (UN) Global Compact and supports all UN Sustainable Development Goals (SDGs), among other commitments. Our Company strategy, sustainability goals and Code of Conduct are aligned with conducting business in a way that supports universal principles related to human rights, environment, and anti-corruption, among others.

We have also embedded sustainability in our growth strategy, our Values and in how we define our future success. Nouryon reports metrics in accordance with the Sustainability Accounting Standards Board (SASB). For more information, including a full overview of Environmental, Social, and Governance (ESG) data, as well as an SASB index, please visit nouryon.com/company/sustainability.

Our ‘Commitment to a Sustainable Future’ is based on three pillars:

CONTINUOUSLY IMPROVE our safety and environmental performance
GROW AND INNOVATE to create Sustainable Solutions, enabling customers to be more sustainable
ENGAGE AND PARTNER with employees, customers, and suppliers to drive sustainable progress

Our Company Purpose and Values

Nouryon’s Purpose and Values reflect who we are and how we continue to strengthen our performance-driven culture, deliver on our growth strategy, and contribute to a more sustainable future. Our Values convey a strong commitment to our Purpose: Your partner in essential solutions for a sustainable future. Living these values enables us to be an industry leader, trusted partner, respected employer, and responsible member of the communities in which we operate.

We aim high
We drive growth by collaborating with customers and colleagues to become more focused, faster, more efficient, and better every day.

We own it
We are accountable and deliver on our commitments to customers, investors, and each other.

We do it right
We support our people, customers, and communities through strong ethics, and with safety, integrity, and sustainability in mind.
